10:30-11:15 Butterfly presentation

11:15-11:40 T-Shirt Craft

In this beautiful slide presentation about butterflies, habits and habitats, we'll learn all about Eastern butterflies: how to attract them to your garden, how they differ from moths, what are their defense mechanisms and more!

After the slide show, children will create their own butterfly t-shirts (heavy, 100% cotton) using a combination of fabric dye sprays, plants, and butterfly cut outs. Children may purchase heavy cotton shirts for \$4.00, or bring their own.
