

## 3-D Photography Workshop

*Learn how to create stunning visual effects from the master of sound effects!*

Delve into another dimension with Redding's own **Fred Newman** and learn how to take 3-D photos using your camera or phone.

Known as the sound effects wizard on *A Prairie Home Companion*, Fred Newman is an Emmy-Award winning artist who creates 3-D photography in his spare time.

For hobbyists, artists, designers and photographers of any sort.

**Saturday, April 22 at 3 p.m.**

Ages 10 and up.

Optical aids provided.

Sign up online at
