

Welcome to the Mark Twain Library Small Business Circle Directory. Inside you'll find contact information for local businesses. You can search by category, member name, or business name. To search the directory, click "edit" then click "find" and type the name you are searching for **or** type ctrl/command + F and type the name you are searching for.

If you're not listed, [sign up here](#). We accept listings for small businesses in Redding and surrounding towns.

**The Mark Twain Library Small Business Circle (SBC)** is a professional group of small business and home office professionals aimed at building reciprocal relationships, exchanging ideas and leads, and offering informative programs. It connects like-minded individuals who, by virtue of the rural nature of our community or by the nature of our work, might not otherwise have the opportunity to meet, network and get to know each other. We welcome residents from surrounding communities.
